Re: Submission of Notification for Travel Abroad

From: Student Exchange Team, International Relations Division

Before traveling abroad, please consult with your supervisor or other relevant faculty. Be sure to submit the Notification for Travel Abroad through the Study Support System in advance, not only for study or training abroad but also for private travel.

Please make a decision on whether or not to travel overseas in accordance with the "Campus Standards Based on the Ministry of Foreign Affairs (MOFA)'s Overseas Travel Safety Information Web Site."
